## JAYCEES SPONSORING 2 GOLF TOURNEYS FOR LITTLE LEAGUE

The Hamlin Jaycees will sponsor two golf tournaments this week and with the net proceeds going to the Hamlin Little League, according to C. R. Dansby, president. The first tourney will be held at the Miniature Golf course in the City Park and the second one will be held at the Lakeview Golf course.

Joe Ford, chairman of both tournaments, announced that the miniature golf tournament, which will be held Friday and Saturday nights, will be open to all ages, both male and female. The field will be broken down into flights so that everyone will have a chance to compete with other golfers of about the same ability. Entry fee is \$2 and the qualified score must be turned in at the golf course or to Ford at the F and M National Bank by noon Friday.

The Sunday tourney to be held at the Lakeview Golf Course will get underway at 1 p.m. and will be an 18 hole handicapped event. The Calloway system of handicapping

will be used. In this system the golfers will play 18 holes and turn in their scores. Their handicap will be figured on the score they shoot and not on past scores.

Entry fee for the Sunday tourney is also \$2. Trophies will be awarded in the miniature golf tourney and golf balls in the regular golf event.

Ford said that everyone is invited to compete in both events and that with the fiddler system anyone can win. He reminded that win or lose all of the money will go to the summer baseball program.

Marilyn Maynard of Columbus, Ohio, is visiting her grandmother, Mrs. H. B. Maynard.

Mrs. W. L. (Jane) Cannon and children, Cheryl Cindy, and Steven, are visiting her parents, Mr. and Mrs. Seth Adams.

## PATROLMAN SAYS KEEP YOUR CAR KEYS IN POCKET

Charles Lovell, a member of the Hamlin Police Department, now has first hand knowledge as victim of a stolen car. His car, a 1962 two-tone green Ford, was taken from in front of the jail while Patrolman Lovell was on duty.

He had parked his car there and had forgotten to remove the keys. When he came downstairs from the police station he discovered the theft. He estimated that the car was taken sometime between 2 a.m. and 3 a.m. Monday morning.

The car was recovered about 4 p.m. Monday near South Lake parked on a dirt road near the home of J. C. Cauble, lakekeeper. There was no damage to the automobile.

When asked what advice he could give to others to prevent their having a similar experience, Lovell said, "Keep your keys in your pocket."

# Roller Coaster Spirit

There are days when we feel on top of the world. Everybody loves us and shows it. Nice things are done for us. Sunshine and happiness drenches everything. And then there are other days — when we're blue; people are busy. We're alone. We're afraid. It might as well be raining. Nobody knows the trouble we're in. Needed is a little self-discipline, not a lot of self-pity. We must learn to face the fact that life is not always a flowery bed of ease, and pleasure. Children dodge hard places, responsibility, and painful experiences. A mature person stands on his own two feet under God. Time, insight, and the grace of God can remove mountains — and take away that roller coaster spirit. Begin the road to spiritual maturity by attending church this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

## FAIRVIEW NEWS

By MRS. ELMER JOINER

From now on when the weather man predicts a cold front coming in, in the summer time, we won't be so skeptical, for we have really had a cool front with the wind from the north, bringing a blessed relief from the one hundred plus weather we had been having.

Rev. and Mrs. Leverett and girls returned the first of last week from their vacation, having returned sooner than they had planned, getting home in time to attend mid week services. They visited in Abilene, Odessa, then went to Ruidosa for a few days camping. The Sunday they were there they attended church at the First Baptist, where they met the pastor, finding him to be a

former pastor of Fairview, Rev. Alfred Richards, who pastored our church while a student in Hardin-Simmons, some time in the 1940's.

A sister of Winson Gray, Mr. and Mrs. W. H. Wilson and girls, from Houston, spent last Tuesday night with Mr. and Mrs. Gray.

Mr. and Mrs. Thomas Stephens and children, of Tempe, Ariz., have been visiting with his mother, Mrs. George Wainwright. This is the first time his family has been with him for a visit back home in six years, with Mr. and Mrs. Wainwright and Jimmy.

The Wainwright family was planning a get together Saturday night for all of their children and grandchildren, when they received the tragic news that the son, Weldon Wainwright, of Gary, Ind., was very seriously ill. Weldon is suffering from a malignancy of the lungs, but was thought to be doing very well, when they received the urgent message. Mr. Wainwright and his sister, Mrs. Ethel Allen, took a plane for Indiana immediately, the remainder of the family leaving by car. At this time we have not learned anything more.

Mr. and Mrs. Elmer Joiner visited with Mr. and Mrs. Joe Ford last Friday night.

Mr. and Mrs. E. A. Henry spent the weekend with their son, W. C. Henry and family, in Elgin.

Visitors in church Sunday morning were Bobby and Renee White.

The pastor had a pleasant surprise last Wednesday night when he slipped in unexpected, and found a good crowd attending services. Woodrow Goodwin brought the devotional, on the subject of "Stewardship of our Time".

This writer went back to Lubbock again this past weekend, where we attended the 60th wedding anniversary celebration, for Mr. and Mrs. S. R. Irwin, of that city, Sunday afternoon, held in the home of their youngest daughter, also of Lubbock. A big crowd was coming and going, with lots of

nice gifts, and old friends meeting for the first time in a few years to many years. Mr. and Mrs. Irwin have lived in our community two different times, many years ago, having moved to Lubbock close to 40 years ago. Present were two sisters of Mrs. Irwin, that have also lived in Jones county, in the past. Mrs. Bob Starks, who with her late husband, resided in the Hitson community in the '20s, and Mr. and Mrs. Cap Cox, who lived in the Plainview community for a short while, even farther back than that.

Mr. and Mrs. Woodrow Goodwin visited with Mr. and Mrs. Winson Gray, Sunday night after church.

Ronald Joiner spent several days last week with his grandparents, while his mother and Jeannie attended camp at Lucifers, for the G. A.'s Mrs. Joiner went as a counselor from

the First Baptist Church of Stamford.

## Rebels Drop 10-3 Game to Snyder

Snyder's Gold Jackets came to life in the last three innings to defeat the Rebels of Hamlin last Saturday 10-3.

The Rebels will be in the Roscoe Tournament July 20-21. They will be defending their championship of last year.

## EIGHT SCOUTS AND LEADER ATTENDING ANNUAL JAMBOREE

Eight Boy Scouts and their leader left by Jet Air Liner Wednesday for the National Boy Scout Jamboree to be held in Valley Forge, Penn. The Hamlin group was among the 126 Scouts and leaders from the Chisholm Trail Council, Boy Scouts of America, to attend the annual event.

The local group includes J. O. Murphree, leader; Tommy Oliver, Mike Young, Charlie Bishop, Bill Johnson, Mike Murphree, Sammy Ferguson, Randy Smith and Steve Feagan.

The boys were due to arrive at Philadelphia Air Port four hours and twenty-five minutes after boarding the jet. They were to be picked up by bus and taken to the Jamboree site where George Washington spent the memorable winter of 1777.

The afternoon and evening was to be spent setting up their camp and preparing for their week-long stay.

Early in the morning of July 16 the entire group will go by tour buses to Washington, D. C. where they will visit the Capitol, White House, Wax Museum, Lincoln Memorial, Arlington Cemetery, etc. They

will spend the whole day and evening there in Washington. On the morning of July 17 the Jamboree officially opens with the rising of the flags over 12,000 troop campsites and the flag of the foreign nations.

The Jamboree will be a series of activities that will get the Scouts of this area acquainted with Scouts from all over the nation and the world. Skill-O-Ramas, Campfires, Worship Services, Trading Posts, Rifle Ranges, and just visiting will keep the Scouts extra busy.

All the meals at the Jamboree will be cooked by the Scouts themselves. The 50,000 Scouts will eat 33 miles of hot dogs, 25,000 chickens in one meal, 416,000 eggs, 25,000 quarts of ice cream, 600,000 quarts of milk, 100,000 sweet rolls, 55,000 donuts, 13 tons of steak, 181,000 hamburgers, and use a million matches. Stacked one top of the other they would reach 3 times taller than the Empire State Building.

After the close of the Jamboree the Scouts will spend the day of July 24 at the New York World's Fair. On July 25 they will break camp and return home.

The first tourney will be held at the Miniature Golf course in the City Park and the second one will be held at the Lakeview Golf course.

Joe Ford, chairman of both tournaments, announced that the miniature golf tournament, which will be held Friday and Saturday nights, will be open to all ages, both male and female. The field will be broken down into flights so that everyone will have a chance to compete with other golfers of about the same ability. Entry fee is \$2 and the qualified score must be turned in at the golf course or to Ford at the F and M National Bank by noon Friday.

will be used.

In this system the golfers will play 18 holes and turn in their scores. Their handicap will be figured on the score they shoot and not on past scores.

# Roller Coaster Spirit

There are days when we feel on top of the world. Everybody loves us and shows it. Nice things are done for us. Sunshine and happiness drenches everything. And then there are other days — when we're blue; people are busy. We're alone. We're afraid. It might as well be raining. Nobody knows the trouble we're in. Needed is a little self-discipline, not a lot of self-pity. We must learn to face the fact that life is not always a flowery bed of ease, and pleasure. Children dodge hard places, responsibility, and painful experiences. A mature person stands on his own two feet under God. Time, insight, and the grace of God can remove mountains — and take away that roller coaster spirit. Begin the road to spiritual maturity by attending church this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

## FAIRVIEW NEWS

By MRS. ELMER JOINER

From now on when the weather man predicts a cold front coming in, in the summer time, we won't be so skeptical, for we have really had a cool front with the wind from the north, bringing a blessed relief from the one hundred plus weather we had been having.

Rev. and Mrs. Leverett and girls returned the first of last week from their vacation, having returned sooner than they had planned, getting home in time to attend mid week services. They visited in Abilene, Odessa, then went to Ruidosa for a few days camping. The Sunday they were there they attended church at the First Baptist, where they met the pastor, finding him to be a

former pastor of Fairview, Rev. Alfred Richards, who pastored our church while a student in Hardin-Simmons, some time in the 1940's.

A sister of Winson Gray, Mr. and Mrs. W. H. Wilson and girls, from Houston, spent last Tuesday night with Mr. and Mrs. Gray.

Mr. and Mrs. Thomas Stephens and children, of Tempe, Ariz., have been visiting with his mother, Mrs. George Wainwright. This is the first time his family has been with him for a visit back home in six years, with Mr. and Mrs. Wainwright and Jimmy.

The Wainwright family was planning a get together Saturday night for all of their children and grandchildren, when they received the tragic news that the son, Weldon Wainwright, of Gary, Ind., was very seriously ill. Weldon is suffering from a malignancy of the lungs, but was thought to be doing very well, when they received the urgent message. Mr. Wainwright and his sister, Mrs. Ethel Allen, took a plane for Indiana immediately, the remainder of the family leaving by car. At this time we have not learned anything more.

Mr. and Mrs. Elmer Joiner visited with Mr. and Mrs. Joe Ford last Friday night. Mr. and Mrs. E. A. Henry spent the weekend with their son, W. C. Henry and family, in Elgin.

Visitors in church Sunday morning were Bobby and Renee White.

The pastor had a pleasant surprise last Wednesday night when he slipped in unexpected, and found a good crowd attending services. Woodrow Goodwin brought the devotional, on the subject of "Stewardship of Our Time".

This writer went back to Lubbock again this past weekend, where we attended the 60th wedding anniversary celebration, for Mr. and Mrs. S. R. Irwin, of that city, Sunday afternoon, held in the home of their youngest daughter, also of Lubbock. A big crowd was coming and going, with lots of

nice gifts, and old friends meeting for the first time in a few years to many years. Mr. and Mrs. Irwin have lived in our community two different times, many years ago, having moved to Lubbock close to 40 years ago. Present were two sisters of Mrs. Irwin, that have also lived in Jones county, in the past. Mrs. Bob Starks, who with her late husband, resided in the Hinson community in the '20s, and Mr. and Mrs. Cap Cox, who lived in the Plainview community for a short while, even farther back than that.

Mr. and Mrs. Woodrow Goodwin visited with Mr. and Mrs. Winson Gray, Sunday night after church.

Ronald Joiner spent several days last week with his grandparents, while his mother and Jeannie attended camp at Lucid, for the G. A.'s Mrs. Joiner went as a counselor from

the First Baptist Church of Stamford.

## Rebels Drop 10-3 Game to Snyder

Snyder's Gold Jackets came to life in the last three innings to defeat the Rebels of Hamlin last Saturday 10-3.

The Rebels will be in the Roscoe Tournament July 20-21. They will be defending their championship of last year.

## Gasoline Tax Forms Now Available

The 1964 forms for claiming federal tax on gasoline are now available at the county agent's office. The tax refund may be claimed on all gas used on your farm for farming purposes during the period July 1, 1963 through June 30, 1964. Final dates for filing the return is September 30, 1964.

For a child or an adult to achieve properly and efficiently they must have good vision. Only a vision specialist giving a thorough examination can determine your visual needs. A thorough examination takes time.

**EIGHT SCOUTS AND LEADER ATTENDING ANNUAL JAMBOREE**

Eight Boy Scouts and their leader left by Jet Air Liner Wednesday for the National Boy Scout Jamboree to be held in Valley Forge, Penn. The Hamlin group was among the 126 Scouts and leaders from the Chisholm Trail Council, Boy Scouts of America, to attend the annual event.

The local group includes J. O. Murphree, leader; Tommy Oliver, Mike Young, Charlie Bishop, Bill Johnson, Mike Murphree, Sammy Ferguson, Randy Smith and Steve Feagan.

The boys were due to arrive at Philadelphia Air Port four hours and twenty-five minutes after boarding the jet. They were to be picked up by bus and taken to the Jamboree site where George Washington spent the memorable winter of 1777.

The afternoon and evening was to be spent setting up their camp and preparing for their week-long stay.

Early in the morning of July 16 the entire group will go by tour buses to Washington, D. C. where they will visit the Capitol, White House, Wax Museum, Lincoln Memorial, Arlington Cemetery, etc. They will spend the whole day and evening there in Washington.

On the morning of July 17 the Jamboree officially opens with the rising of the flags over 12,000 troop campsites and the flag of the foreign nations.

The Jamboree will be a series of activities that will get the Scouts of this area acquainted with Scouts from all over the nation and the world. Skill-O-Ramas, Campfires, Worship Services, Trading Posts, Rifle Ranges, and just visiting will keep the Scouts extra busy.

All the meals at the Jamboree will be cooked by the Scouts themselves. The 50,000 Scouts will eat 33 miles of hot dogs, 25,000 chickens in one meal, 416,000 eggs, 25,000 quarts of ice cream, 600,000 quarts of milk, 100,000 sweet rolls, 55,000 donuts, 13 tons of steak, 181,000 hamburgers, and use a million matches. Stacked one top of the other they would reach 3 times taller than the Empire State Building.

After the close of the Jamboree the Scouts will spend the day of July 24 at the New York World's Fair. On July 25 they will break camp and return home.
